The Look Ahead The vindictive spirit expressed toward

the Louisville Journal by papers in the radical interest, is one among the many r.butes to its influence as an organ of I temocratic trnth which the times afford We are pleased always to observe in the opposition the evidences of hatred and malice which meet us just now everywhere. They indicate precisely the extent of our power and the force of our aseanits. Much as the disposition is to be despised in itself, its occasion is valuable and auggestive. It points not only to our success, at also to the want of success. which makes our enemies so splenetic Prosperity makes parties, as it makes men cheerful and kindly. The party or the individual that wears an habitum from that is never pleased or happy, that is ever complaining or a strelsome is sure to be going down but, to he port, to be hopeless. The radical cause is It does not feel comfortable or sanguine The abase of the Jor vit is therefor fragrant to us. We like t. We are not angry in the least. It is true that we have an old fachioned cordia ty of detestation cus nees us not only that we are strong, but that we are right. Our ways indeed he in separate directions and we shall EGETTE is thoroughly comprehended by your intended victims. The card will not only consider our co rse the snrer and plainer the farther it diverges from them. It was of course to be expected that Mr. Colfax would land the emancipating proclamation, of which he says the scowls, pleasant greetings from every part of the country. They assure us that we have friends all over the land life-long friends new found friends friends Ye. Koo how for year and years, we hid our three bashame for a me of that yearts to all disgrare. Acres an a svery. When that this little, the sum of a lot an er bad | niged the suntry ato a r blue his a lor a mer three years of for bears me Mr himson his e ha proclamation developed by the bash who have been provided to make the mailing a houded days more he wind at see the mailing a houded days more he wind are power and sharing from the set to would be the the bath and of the set of the s

who respect us for what we have been friends who are ready to tight for us for what we are Iriends indeed. So long as we have these good and trusty friends at or back we shall surely fear not the enemies. Indeed, we shall sairly lear not determined the comments are all dead and buried, and gone to the ad for them there will be nobody to fight, and no occasion for our friends to raily at the front yet, for our friends to raily at the front yet.

Though a special pardon was issued two saults non savery, slavery staff being availed to procure a restoration of property in the cause of the war in the sense in which will be abolicy to fight, and no occasion and account of the committee and the commi

It is not to be wendered at that a fulsome partisan who mistakes his party for the American

Alfaits in Louislana.

Affairs in Louislana.

The desparches report additional negr outrages in Louisiana. The last one re orted occurred at Opelousas. Whiteoeps were tired on by negroes withou lightest provocation, out simply ! cause they sought to keep the peace. Se eral of them were k lled an loth As was to be expected, however, th negroes were repulsed, and it is to hoped that they will be severely punish let little is to be expected in Louisians in such cases, for the juries are all made up partially if not chiefly of negroes, and no jury, upon which either one uearo o while the present state of things exist assent to a verdict of guilty against a no gro, or a band of negroes, be the proofs c

should feel himself utterly unable "to angly ie, discuss, and criticize the principles and policy" of his opponents, with-cutrinning into "bitter or personal atguilt what they may. Such a thing ha not happened yet, and such a thing will acks or criticisms on their "position and The Opelousas negroes, it is stated threaten to burn the town, and were making preparations to execute their self-respect and propriety to padlock his lips upon all the momentous issues of the canvass. It would be more satisfac-tory to all, we are sure, if Mr. Colfax threat. Threats like this are the common. the habitual resort adopted by the ne-groes not only of Louisiana but of all could justly put greater confidence in his good breeding, and were not restrained the Southern States. It was adopted in from attempting to acquit himself as a statesman hy the fear of making a black-guard of himself. However, this is a reflecting the fear of the leading negroes. ion that we are not inclined to press. He knows his own weakness best, and, if his explanation is acceptable to his party, e do not know that we ought to reject them up to a kind of frency. threats of incend arism, we are assured by the papers of Texas, are usual l'assing from himself to his party,

know that they have been freely and pro fuse'y made by the negroes of (ied fuse to let a negro have his own way, reshade of Artemus Ward, the shade must | sist or oppose him in any aggressions h e departed indeed. We leave the lamay choose to make, refuse to accord t showman to take care of his h.m any privileges or concessions he may The particular language in which choose to demand, give him to under olfax has clothed the stolen thought stand that he shall not with impunity vio Mr. Colfax has clothed the stolen thought of the inimitable defunct reminds us of a speech which one night during the war we heard delivered from the steps of the old Galt House. "This rebellion, exclaimed the excited orator and patriot, "must be put down I am for giving the control of the cold or the cold of the cold or the col Mr. Colfax has clothed the stolen thought and I will be one of them The syntax

The and I will be one of them. The syntax and the latter is very often scarcely deter than the former. As for the white sendiment was not less self-sacrificing and sometiment was not less self-sacrificing and self-sacrificing self-sac heroic than that to which Mr. Colfax says sford to suffer a sesson of calm, and so our country owes its life.

Tripping across lots to take the buil of and tempting them to the most terribile and tempting them to the most terribile. cription by the horns, Mr. Coltax crimes, as the devil and his imps are said

how appopular a draft must be; hit our solliers to believe that the worse and the worse dying from scaceous in benshink and using shall be rendered by their agency the better who were draft must be to be the condition of society shall be rendered by their agency the better who were draft and the star buy as to seep our ranks it. Tossibly but there in reality was another way. We mean the abandonment of the radical policies of the administration and the prosecution of the war for patriotic ends instead of party ends. in other words, a faithful adherence to the explicit and solution. This way would have kept our ranks full without the necessity of conscription. Volunteers, if this way had been taken, would have the real table. The real state of the research of the resea SI DIE MACY. ranks to overflowing, and kept them so.

Constription was rendered necessary only
the country. His intentions are right, Conscription was rendered necessary only by the stypendous treachery of Mr. Colfes and he has a bundle of nerves that will bear him bravely through all emergencies.

He is conciliatory, exceedingly so, but he country. Las, it possible, even more determinate than conciliation. If he shall at any time deem it necessary, he will strike, and hi

Mr. Coltax, still flattering his party, touches upon the matter of taxation, say-He has been received in New Orleans with olstinguished favor by all the friends of conservatism and good order, and he has had the good taste and the good judg ment to plant himself, in all the brie specifies he has been constrained to make upon the safe and right grounds of stric Bureau of Statistics, in a statement which commands the attention of the country, has just shown the inevitable ful liment of the prediction. You have reduced the taxes only to cause at the end of the year a defect of more than a houdred and fifty mit ons of dollars which can be supplied only a increasing either taxation or the public debt. And this you have done for no other reason than to tide your party over the Presidential election. Tat is to a you have done at merely to cheat the people into the support of yet party. You have reduced tax.

de but wisely, elequently, like a manout who speaks to the rationalism of tuen and women of the world, and apeaks by

real to us as any of the characters of real wanted to run away with her" An Adah lesses Menker: Henry Camoud is naturally: cones to light but in time as real to us as luck Steele; Lord Steyne is sa real to us as George the Fourth and hal o's with careful de rose of the soldiers, wits, and beaux of even of the precent day, are more palpable to cur sense than Kew and l'en lenn. the Virginian. It is a gailery in which, as we wak through ', we should n ver n is a 'ace; and each of their speaks to ior the damnation of pulpits. They are like the cartoons of Hogarth, full of a llades at al, they do not give ns s and show us what it is wit cout soiling ns singed but purified. That Thackersy studied and admired

the literature of Anne's reign, and that which grew immediately out of it, is awary where seen by the reader, and eve: v he Restoration, as Hezlitt did, or for very o'd t ne'ish upetry, as Hunt did: or that he was in the least affected by the influ-School which held dominion when he of Lamb. He owes much to Addison and Steele, and even to Swift, whose diction, bright, clear, and strong, he constantly ect eccentric is too often common-piace. sorbed Herace; and he has given us a whimsical, wisa, and overflowing humor of Laurence Starne, whose character he deepleed, and whose works he must have taken to as by a kind of natural instinct, for no two writers of English pross have more curious traits in common. Tos difference between Thackeray and Sterne must content themselves with the stories liss difference of breeding, not of mustal organization. Nature unde sentimental-

andred spirite, who give us reflections ists of both of them; society, travel, of Thackersy a man of the world. He is not so grashing certainly as tween Mr. Mclauthe, for many years a world. He is not so gushing certainly as tween Mr. McHaffe, for many years a stree, who made a boast as well as a member of Congress from South Circuit, and may be looked upon as graduate of the old school. There is no naw are of some one particular goddess and successful to the old school. There is no naw are of some one particular goddess and successful the old school. ance of come one particular goddess, and took no pains to restrain himself. Thackeray presents as the figure of a man who cheek, tembies upon his lips, and wells | death, in la l up ln his eyes, in spite of him, and he is to cease speaking and cut his pathos written must leap backward an age or short. He is not commonly thought to two, or go forward to something which have so much feeling as lickens. Perhave so much feeling as bickers. Per-haps he had not the same sympathy with the ordinary objects that arouse an exhibition of sympathy; poor Joe dying in Mr. George's shooting-gallery; Pegotty's grief for "little lim'ly;" and "Tiny Tim did not die." We are expected to cry over these passages, and are not ashamed to cry over them. They are matters for the most accepted, every-day pity. They are not sentimental, but merely tender and sorrowful, as childhood is tender, as want is sorrowful. Thackeray's sentiment is most unlike this; and though

there is less of it in "Vanity Fair" than in his later books, even in ' Vanlty Falr' we find it whenever Amelia comes on, o most generous views of life, I don't doubt that Thackeray loved Dobbin. He is surely very kind and tender with Amalis, and he grows aven merciful to linwdon Crawley, when that graceless acampialls into ill lnck, and is stricken down.

to be honest and true. So he morals from B: gh/cn, if it should ever please heaven to leaf in each of his books: through my hat to her, i don't blame Colone! In bbin in the lesst. Neither do l blame Jee Sedley. His infatuation for Becky of grace in that big fat body of his. Who an wender at the infinance she acquired women; they move and have their being except that matter-ci-fact Dobbin. Who

the ment of the standard of th Having been publicly questioned by the Father Superior, certain pasinas and anthems were sung; the novice's habit, acalpular, girdle, and sandals, wimple, acalpular, girdle, and sandals, wimple, and cloak, having been solemnly bleased, the hebit was delivered to the bridesmidds. The Superior, then slitting on his east before the sliar, in full robes, as Father of the order, the acolytes having spread a towel over his kness, delivered to him pair of sejsors, whereupon the young novice was brought forward, and while the novice's hymn, "Farewell, thou world of arrow," was being sung by the slaters, her long, black hur was all cut off, the long, black hur was all cut off, the long, black hur was all cut off, the long, black tresses tailing on the ground around her.

Her ornaments being taken off, she herself threw them also on the ground, in taken of having renounced the vanities of the world. She was then led out by two sisters to put aside her white dress, and secure turned habited in the Benedictive trock. The whole habit was then placed upon her by the Superior, while seppropriate prayers and blessings were used. Lastly, after the binder an whimple were placed on the head, the white veil was solemnly bleased and incensed, and then placed over her head. She was immediately led by the Mother Picness to her stail in the choir, holding a lighted taper in her band, until her communion. Having taken the three vows for one year, the service concluded by the choir singing the anthem, "Wise virgin, take your lamp and come, the Brit'egroom cometh, He calleth for thee." The novice then rose and went forward to the slitar ateps, holding her lighted typer, and, while she was receiving the sack well in this house. The cremoules to the virtual fell, and in the rest had soleun. The Felthain nuus are entitled in notation at a grain of the product at a grain in the contribute of the site of the virtual and soleun. The Felthain nuus are entitled in nucles at a grain in the contribute of the site of the site of the contribute of t ments of the honest talking merbash, counted out eight hundred dollars it userenbacks, nearly all he had, with which he intended to purchase the Kanasa farm, and handed it over to the amooth-tongued rasks, who gave in exchange the worth-less bond.

On arriving at Monroeville the swind-On striving at Monroeville the swindjer got off the cars and strolled about the
platform. When the train statted he also
started—but in a different direction.
Some time afterward the victim, having
missed his companion, began searching
for him through the cars, but without
success. He finally asked conductor
Parker if he knew the gentleman. Mr.
l'arker was not personally acquainted
with him. The poor fellow then related
the circumstances as even in this absorb. the best thing he could do was to get off at the negt station and go back to Monroville by the first train; it was possible that he might find the man who had so easily awindled him, but that the chances were decidedly against his ever meeting him or recovering the lost \$500.

Bloody Tragedy

\_\_\_\_ A l'amily find Results in the Death of Four Ben.

-Fice the ttenderson Tex I mes. 2 14.

It is harrowing to the feelings to be under the necessity of noticing the seenes that have been enacted in the vicinity of Mt. Enterprise, in this county, within the past ten days, but the editor of a newspaper has no escape.

As we get the facts, on Sunday, the Etch, Mat. Shaddon went to the honse of John I. liott. There had been some missunderstanding between Mr. Shaddon and Mr. Ellictt in reference to an elate. They were brollegs in law. Illiots told Shaddon not to get off his horse. Shaddon replied be would get off and do as he pleased: wherenpon i. libit shot and killed Shaddon on the spot. I judy Philips, it is said, was at the house of Elliott. bint lent numediately. He was also a hrother-in-law to Elliott.

Early Wednesday morning four brothess of Shaddon went to the house of Hayden Phillips and Elliott—it is said they went to the house of Elliott, some distance of, first. Ilayden Phillips denied knowing anything about where I liott and his sou Elliott, some distance of, first. Ilayden Phillips denied knowing anything shout where I liott and his sou Elliott, some distance of, first. Ilayden Phillips denied knowing anything about where I liott and his sou Elliott, some distance of, first. Ilayden Phillips denied knowing anything shout where I liott and his sou Elliott, some distance of, first. Ilayden Phillips denied knowing anything shout where the where her were satisfied be knew, and that if led did not tell they would have to kill him; that he did not know where they were and could not tell. I pon this some of the party shot Hayden Phillips, a son of Hayden Phillips, who was at the house, broke torun, when he was fired on and killed, six loads of

wounded, had raised up, when one of the party went up and shot him in the head with a leringer.

There are the facts as we learn them from different parties. If there should be any unisstatements or inaccuracies, the proper corrections will be made upon notice being given.

The Latest Patterns & Styles employees and are approved by the fact of the work of the warrant man proper corrections will be made upon notice being given. we have been due names of all the parties said to have been concerned in this awful tragedy, but as some of them protest they had no idea there was any killing to be done, we will not publish them.

No arrests have been made, but the parties, it is rumored, are all in the country. The unatter cught to be investigated, and the facta as they are be brought to light.

No. OBET AND VERSARY—Chestent street Meth-Favored with one of the loveliest of Indian Summer daya, our church-going community thronged every place of wor-ship abova enumerated, and altogethar the day and its events have no parallel in the religious history of Louisville. We rejoice in the belief that a wast emount of good was accomplished, and sincerely bope there may be nunumbered repeti-tions of the same noble efforts to better the spiritual condition of the youth and the sged of our city.

SUNDAY-SCHOOL MASS MEETINGS. Both of these convocations were extraordinarily largs. Nearly all the active scholars of the Methodist Sabbath had a little boy named Dick. He was a achoo!s inrined out, and the display was one of the grandeat ever seen anywhere, was will venture to assert. At each meeting the exercises were splendidly controlled to young manhood, when he graduated with young manhood, when he graduated with ducted, and the children equitted themselves with high honor. The fact

This elegant and aperious remple was diesaid you. I know him. He is a model iterally packed in all its parts. The Portland, Shippingport, Twelfth straet, Chestnut street, Walnut straet, Shelly the property of the street, Walnut straet, Shelly the property of the street, walnut street, and the street of the st attest, Thirteenth and Twenty-firsterreets
mission, and Rose Lane Smbbath-schools
were largely represented, swelling the
number of childran to fifteen hundred or
two thousand. They and their parents
and friends occupied the whole and tomin and the prominent Christiana in this
country were converted to Christ at an
early age. If this be so, these little chlidren can see tellish on any Leaventh to

Bishop McTyeira welcomed the children in a few appropriate remarks, and then introduced to them tha inliniters of the law melcomed this mountage at the conference, who annotates the conference in a few appropriate remarks, and then introduced to them tha inliniters of the law melcomed this mountage in the most wholesome advantage in the most wholes

the hymn, "Let every heart rejoice and sing."

Rev. Mr. Lee offered up a short, but most beautiful and effective prayer, when the little ones chanted in heavenly nnison that exquisite anthem, "There's a cry that the same of the same o from Macedonia."

tlon from Bishop McTveire. ADDRES- BY DR. RIVERS. By request the Rev. J. itand favored the congregation with a eslect hymn. The Bishop here introduced Rev. R. H.
Rivers, D. D., President of the Female
College at Russellville, who addressed the
andience for about an hour. He said he
andience for about an hour. He said he

The said here has been described by the said here. had long since determined that whather he apoke or remained silent, preached or assemblage, on the eve of departing from

he apoke or remained silent, preached or lectured, his sim should not be to promote acidish interests, but to do good to the old and the young, all of his countrymen and countrywomen, so far as he could exert any ir fluence. He might be of some serthe hali united in aluging a favorite lyric, thus terminating the occasion in the happicet possible veln. any ir fluence. He might be of some service to the young and rising generation and tochildren of larger growth, and hoped that what he should say would reach the understanding of all who heard him. He took for his aubiect "The Modal Sunday school Scholar." Children, said he, I want you 10 apply this aubiect. The model child always telle the trnth, He never telle a fib or a white story, and is as far as possible from telling a black ona there are none but the black sort, to my the story and is t There was another mammoth convoc

it at every cost. In the next place, the model child is obedient. He obeya his parents, his teachers, and all who may command him for good. He takes his task, learns his lesson, performs his duty, whatever it may ke. How is it with you, children, about that? Do you obey your mothers' commands cheefully not a you feet.

The "Brickeyes" are all sparkling, and locking to Seymour.

Brigmating.

Two very diagraceful charges are to be investigated before the Police Court this morning. The charges against the perities are indecent exposure of person, but this docent exposure of the case by several degrees of Infamy. The cases are separate ones. The culpritis are named Radolph Friedman and Morris Frisingburgh.

West-end Station-humse.

Business has been rather doll in the west end of the city during the peat three or four days, but the cloud of dullness was partially during the poat three or four days, but the cloud of dullness was partially when the past three or four days, but the cloud of dullness was partially when the past three or four days, but the cloud of dullness was partially the cloud of dullness was partially as the cloud of dullness was partially the cloud to dullness was the carm to the three of the cloud to take the afternoon boat, and recommend in the control of dullness was partially the cloud to dullness was partially the cloud to dullness was the carm to the care that the control of the cloud the cloud the cloud to take the afternoon boat, and recommend there or to the cloud the cloud to take the after father has lain upon a bed of sickness—one of the most confirmed invalids I ever knew—for iwenty-five years. In all that time his noble son never, by word

or act, dishonored or disobeyed him, but has devoted his beart and all the energies of his nature to the alleviation and maintenance of his helpless, stilicted father, had, This is an example of fills plety for all. It is one of the brightest that could be recalled. I would be willing to have that msn preach for me, if for nothing else than his shining illustration of filial piety. [We may be pardoned for saying that the son siluded to is Rev. J. . Malone, of Russellville.—Reporter ] The reverend speaker here cited two or three other cases pertinent to the subject. The other cases pertuent to the subject. The obedient child, continued he, heas a right time to do everything he ta bid. He is not a laggard, but ever goes forth sprightly and performs his duty nuruged. He avoids all had associates, making

inaugural of a series of fecuries that will be delivered during the fall and winter for the benefit of the "Confederate Beney-olent Association."

who could say more in a few min-

No better evidence of the enterprise and ublic split of our moneyed men could be iven than the improvements now rapid-g going on in Main street, the Rialto of r city, "where men most d gate," and unillions are handled every lay. The heart of every citizen is wont to swell with honest pride as he gazza upon that noblepils, the Galt House, with its massive front, colossal dimensions, darch tectural beauty. The handsome res now in process of construction in

deeds of ergelic goodness, end her pres-ent noble wolk in life as the wile of one of the Bishops of the Methodist Church, , and progress of the city. Fut the Gair House, with its magnifient proportions, the stately stores and Le Bank of Kentucky, now being r neutlay of the public-spirited directors. of that grard nature which God had given them, and resolve to be men and women place to a noble portico, fluished in the Crinthian style, and the entrance is now reproached by a magnificent dight of sieps, resembling those of the Capitol, at Washington. The restoration of this time-honored huilding, the largest and wealthiest bank in the West probably, as an additional indication of the in-

will be, Brst, the Bank of Kentucky, the Galt House, the Court-house, and the Post-office. The generous rivelry between the Galt use and the Bank of Kentucky will abtless continue; but when it is reembered that the capital of the Bink of Kentucky far exceeds that of the Galt in Lonisville who had preached here House, it is to be hoped that no one will when there were but seven ministers in the town. That man was the venerable ibr. McMahon. Would that he could be hink it diacreditable to the Galt House hat it has not been able to compete with its rivel in lavish expenditure and beauty ol design. The Galt House has done very well indeed, considering the smallness of its capital and the cramped condition of its means, but it would manifestly be a hopeless task for it to persist ionger in istera and worshipera in Lonisville when it could boast but a single church. You and i, brothers, have been spared to ses tha day whan we have here ving to rivel the aplendors of this good d-fashloned, public-spirited ins There is great excitenant emong the va-rious photographers as to who is to have the honor and sole privilege of taking tha building, as it is intended to forward it to model child. I will tell you of a model man. Away down in tha mountainous region of Middle Tennessee, I once knaw he great international fair at Berlin h photographic views of the principal blic buildings of Louisville, as was one last year by the city of New Orleana

school of music. It is light, volalile, and action of masse. It is light, volatile, and rattling like their gamin. There is nothing deep or true or powerful about it. The prettiness and sentimentality of the Franch chanson or romance cannot be eurpassed. Nothing could be nester, noth-Commonwealth for Tiffany vs. Young E. Hurt, &c. From the Adair Circuit lng could be more superficial and artiiciai. French music is like French manner—it does not mean all it says or feel all it describes—but it is vastly agreeable and most flattering to the ear and pleas. this auit on his official bond. On Itial the jury, under instructions favorable to Hurt, found for him. The following questions are decided in this case: An instruction which makes the sheriff's whole responsibility depend upon whether the detendants had properly sufficient to pay the whole debt when he had the executions in his hands, and excludes from their consideration the fact whether they had property enough to pay part of it at that time, is palpebly erroneous.

Inxecutions in full force, which are first placed in the hands of the cheriff, have priority over those against the same defendants or defendants subsequently delivered to him, but if there are more defendants in the prior execution than are in those subsequently delivered, it would not be a subsequently delivered, it would not be subsequently delivered. Now, we are chortly to have a taste of medern French opera Boude. Mr. Bateman ts coming from New York with an excellent troupe to give

ns at the Louisville Theater three of Offenbach'a most popu-iar and successful works, "La Granda Duchesse," "La Belle Helene," and "Rarbe Blene," This troupe has been def the first order of talent in her line, and nites to her cherms of voice and acting hose of youth and heauty. Mr. Auj to is these of youth and beauty. Mr. Aujic is and to be a charming singer with a tenor voice of great sweetness and cultivation.

onday and Treaday, Oct. 19 h and 20 h

During this brief opera season there will probably be quite a flutter in fashionable circles and a grand array of beauty and ton. Dressing for the opera is a serious business, and the opportunity of displaying the newest and most beantiful toilettes will hardly be lost; and expectation is asid to be on tip-toe to hear the divine I ima and the irresistible Aujac. It is to be hoped that the essaon will be prolonged, and another series of operas given, that all may have an opportunity of being delighted for once in their During this brief opera season there proprietor of the Paschai House will have to pay. The "coming man" will be duly informed upon that point by the proper officer. We cannot tell how such alty of being delighted for once in their

With a heart full of sorrow we are called upon to perform the painful duty of recording the death of Mr. I. P. Moore, of Marrianne, Florida, which took place at the residence of Mr. J. H. Forsythe, of this city, yearerday P. M. Mr. Moote came to the city some three months since, to avail himself of the skill of some ofour physicians for the relief of a chronic affection, from which he had suffered for a cumber of years. He considered himself of years. He considered himself of Grant and Colfax? Are you for the election of Saymonr & Bisir, or Grant and Colfax? Are you had a hitsaman, or a ningest?
